

**REMARKS/ARGUMENTS**

The title has been amended to include the concept of location determination and other distinguishing features of the group of claims elected.

In response to the restriction requirement, claims 1-75 and 81-87 have been canceled without prejudice to prosecute these claims in one or more divisional applications. Thus, applicant has elected the claims of Group V consisting of Claim 76 and its dependent claims 77 to 80.

In view of the above, it is respectfully submitted that the application is in condition for allowance. Reconsideration and early allowance are earnestly solicited.

Respectfully submitted,
